

Seal Comparison | Lucite Center on left & Sculpted on right

- The seal at the left has a raised outer rim with full digital printed lucite center. With the new artwork using gradient colors, the seals must be printed for the designs.
- The seal at the right is sculpted and spot colors for the detail. We can not use gradient colors for sculpted seals.
- These are photos of actual seals we have produced.
- Please note that photos are not true colors and will vary due to lighting and screens the photos are viewed with.
